Department of Geography - CG Session - 2024-25

Class B.A. 4th Sem

Lesson Plan Theory

Practical

Sr.No		Lesson Plan Theory	Practical
1	10 Feb - 15 Feb Week 1	* Nature and meaning of Economic Geography	meaning and type of choropleth mapping
2			
3			
4			
5			
6			
7	17 Feb - 22 Feb Week 2	* Scope of Economic Geography * Importance of Economic Geography	Presentation of State wise variation in GDP
8			
9			
10			
11			
12			
13	24 Feb - 1 March Week 3	* Classification of Economic Activities - Primary Activities * Gathering, hunting, Pastoralism	State-wise GDP-variation Project - I
14			
15			
16			
17			
18			
19	3 March - 8 March Week-4	* Secondary Economic Activities, * Tertiary Economic Activities * Impact of Economic Activities on Environment	State wise GDP variation Project - II
20			
21			
22			
23			
24			
25	10 March - 15 March Week-5	* meaning and Definition of Natural Resource * Classification of Resource * 1st Assignment	Computation Transport Network
26			
27			
28			
29			
30			
31	17 March - 22 March Week-6	* Role of Resources in Economic Development * Resource Conservation * Class Test	Rail Network Accessibility → Project - I
32			
33			
34			
35			
36			
37			
38			
39			
40			
41			
42			

43	Week 7 24 March - 29 March	* Utilization and Conservation of Resource	Practical Natural
44			Road Network
45		* Biotic Resource	Accessibility - II
46			
47	Week-8 31 March - 5 AP.	* Abiotic Resource	meaning of
48		* mineral Resource	Time Series
49		* Conservation of Resource	Analysis
50			
51			
52			
53			
54	Week-9 7 AP. - 12 AP.	World Distribution of Food Crop,	Time Series
55		* Production and Distribution of	Analysis of
56		Rice and Wheat	World Food
57			Polygraph
58			Project - I
59			
60			
61			
62			
63	Week-10 14 AP. - 19 AP.	* Production and Distribution of	Commercial
64		Cotton, Sugarcane, Tea, Coffee	and Plantation
65			Crop Production
66			Project - II
67		* Assignment - II and	
68			
69			
70	Week-11 21 AP. - 26 AP.	* World Distribution and Production	Representation
71		of Coal, Petroleum	of Compound
72			Bar Diagrams
73			
74			
75			
76			
77	Week-12 28 AP. - 3 May	* World Distribution of Natural	World Production
78		Gas, Iron ore, Bauxite.	of Sugar and
79			Coal
80		* - Class Test	Project - I
81			
82			
83	Week-13 5 May - 10 May	* World Distribution and Production	mid-Term
84		of Iron and Steel Industry,	Examination
85		Textile Industry	
86			
87			
88			
89			
90			

		Theory	Practical
91	12 May - 18 May Week-14	* World Distribution and Production of Sugar and Automobile Industry.	Presentation of Production of Petroleum and Iron - Project
92			
93			
94			
95			
96			
97			
98	19 May - 24 May Week-15	* International Trade and Transport * Surface Transport → Road, Rail	Class - Test
99			
100			
101			
102			
103			
104			
105	26 May - 31 May Week-16	* Major Oceanic Trade Route.	
106			
107			
108			
109			
110			
111			
112	2 June - 7 June Week-17	EXAMINATION =	
113			
114			
115			
116			
117			
118			
119	Week-18		
120			
121			
122			
123			
124			
125			
126	Week-19		
127			
128			
129			
130			
131			
132
